SOUTH FLORIDA

The colorful mosaic of South Florida mixes nature, culture and life's finer things. In this subtropical paradise you'll encounter everything from laid back waterfront retreats to high-energy, big-city getaways and of course, world-famous sunsets.

To the west is the "Culture Coast" where you can explore beautiful cities like Sarasota and Naples. Along with high-end shopping and dining options, you'll find a wealth of fine arts and cultural venues plus award-winning beaches.

Step to the lively Latin beat of Miami, sway to the calypso rhythms of the Florida Keys or thrill to music of a different sort – the whir of line spinning off your reel. Try deep-sea fishing off Fort Lauderdale or pursue largemouth bass in Lake Okeechobee.

And for nature lovers, the Everglades National Park offers endless eco-adventures such as hiking and kayaking and is the perfect spot to view herons, alligators and maybe even the endangered Florida panther.

HOUSE OF REFUGE, Hutchinson Island

The only one still in existence, the House of Refuge was used as a haven for shipwreck survivors on Florida's Atlantic Coast in the early 1900s. Discover this area's rich maritime history at this museum. **DiscoverMartin.com**

The Florida Keys is home to mile after mile of unique camping experiences, from full-amenity RV resorts to secluded tent sites under the stars. And with the Atlantic Ocean on one side, and the Gulf of Mexico on the other, you'll always have an amazing view. No matter what you're into, the great outdoors really doesn't get much greater.

FT. LAUDERDALE BY WATER

Ft. Lauderdale is known as the "Venice of America" and with its beautiful waterways; it's one of Florida's premier destinations.

A great way to explore the city is from the water and the water taxi is one of the best ways to do that. They're ideal for self-guided tours as you can hop-on-and-off to visit various attractions along the way.

One stop worth checking out is the Hugh Taylor Birch State Park where you can rent a canoe or kayak and paddle along a mile-long freshwater lagoon. Nature lovers can take advantage of the hiking trails and learn about local plants and wildlife on guided tours. There are picnic areas and even a pavilion that offers water and electricity for parties. Visitors can also access the beachside restaurants and cafés through the pedestrian tunnel, which runs under A1A.
