# NORTHWEST FLORIDA

Cross the Florida state line into a world of beautiful nature, rich history and endearing charm. Encounter small towns dotted with moss-draped oaks and picturesque coastal communities, all offering world-famous Southern hospitality.

Referred to by some as the “Panhandle,” this region is best known for its award-winning, white-sand beaches and emerald-green waters. Coastal towns and cities offer a wealth of beach activities and all types of watersports such as boating, parasailing, snorkeling and more.

Inland there are rural lakes, rivers, springs and parks to explore. Outdoor and eco-activity enthusiasts will find endless opportunities to experience nature from touring caves to kayaking, canoeing, hiking, biking, tubing and fishing.

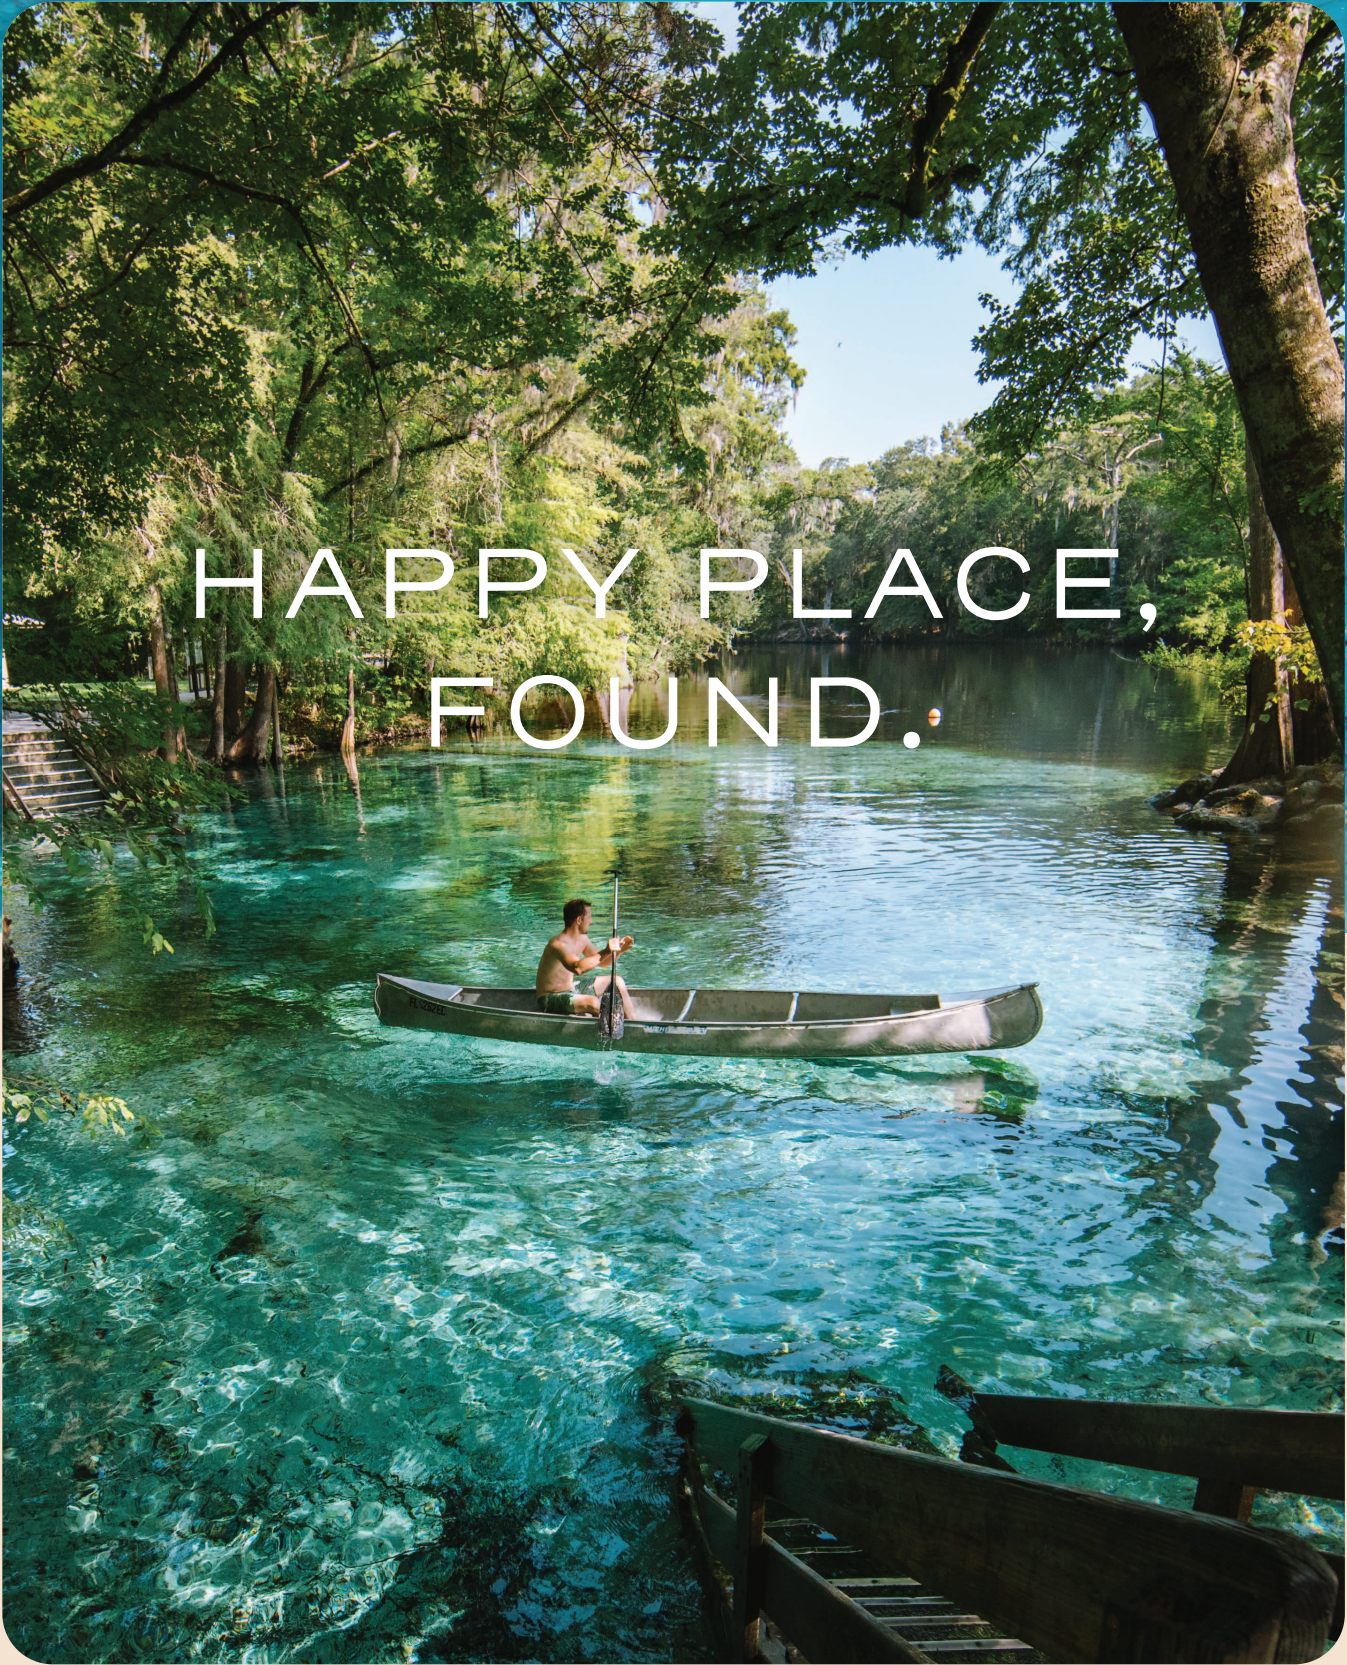

Tallahassee, the state capital, is sometimes described as “The Other Florida,” with its rolling hills. It is home to many historical sites, cultural offerings, great shopping, FSU and other colleges and universities.

EXPLORE:

STEINHATCHEE RIVER FALLS

Florida's broadest waterfall pours over a lip of limestone in the Steinhatchee River, where you can see the ruts of settler's wagons deeply pressed into the rock above the falls. While you can drive down a bumpy dirt road to get to there, a more scenic path is experienced by foot along the 3.3-mile Steinhatchee Trail, which meanders through oak hammocks, scrubby flatwoods, and bluff forest in the Lower Steinhatchee Conservation Area.

## SOUTH FLORIDA

The colorful mosaic of South Florida mixes nature, culture and life's finer things. In this subtropical paradise you'll encounter everything from laid-back waterfront retreats to high-energy, big-city getaways and of course, world-famous sunsets.

To the west is the "Culture Coast" where you can explore beautiful cities like Sarasota and Naples. Along with high-end shopping and dining options, you'll find a wealth of fine arts and cultural venues plus award-winning beaches.

Step to the lively Latin beat of Miami, sway to the calypso rhythms of the Florida Keys or thrill to music of a different sort - the whirl of line spinning off your reel. Try deep-sea fishing off Fort Lauderdale or pursue largemouth bass in Lake Okeechobee.

And for nature lovers, the Everglades National Park offers endless eco-adventures such as hiking and kayaking and is the perfect spot to view herons, alligators and maybe even the endangered Florida panther.

EXPLORE:

THE DRY TORTUGAS

Just 70 nautical miles west of Key West lies the Dry Tortugas. Spanish explorer Ponce de León discovered the Tortugas in 1513 and named them after the abundant sea turtles (las tortugas) found in the area. Only accessible by seaplane, high-speed ferry or boat, this area is renown for its snorkeling and bird-watching. While visiting, be sure to save time to tour Fort Jefferson, a hexagonal brick-and-masonry fort that was constructed in the 19th century to guard entry into the Gulf of Mexico.

As soon as you arrive at Fisherman's Cove RV Resort in Palmetto, Florida, you'll feel like you're a world away. This resort features clean, updated facilities that are maintained by a friendly and attentive staff. Splash in the heated waterfront pool or soak in the spa. Grab a racket and head to the pickleball court. Meet up with friends and enjoy another perfect Florida sunset overlooking the breath-taking Terra Ceia Bay. It's your choice.

Fisherman's Cove is situated along the state's stunning Gulf Coast and is just minutes from St. Petersburg beach, Anna Maria Island, Longboat Key, Bradenton, Sarasota, and miles upon miles of beautiful coastline. Although it is close to metropolitan areas with access to culture, restaurants, shopping and theme parks, the friendly and peaceful RV community lets you slow things down a notch.

Enjoy shaded walking paths beneath majestic oaks and swaying palms, or take in the view of Terra Ceia Bay from their on-site fishing pier. Their private

boat launch makes it easy to enjoy the calm waters of Terra Ceia Bay leading into the Gulf of Mexico in your canoe, kayak or boat. They're also less than three miles from Terra Ceia Preserve State Park, which features nearly 2,000 acres of mangroves, hiking trails and waterways.

Get away for the day, week or month to Fisherman's Cove and you'll fall in love with everything they and the surrounding areas have to offer. You can explore:

**BRADENTON**  
Less than 10 minutes south and just across the beautiful Manatee River from Fisherman's Cove in Palmetto, the under-stated city of Bradenton offers a little bit of everything. Featuring pristine beaches such as Bradenton Beach and the beloved Anna Maria Island. Bradenton also boasts award-winning restaurants, breweries, and nearby outlet shopping. Sports enthusiasts can take in a Pittsburgh Pirates spring training game at LECOM park as they play other famous major league teams like the Marlins, Red Sox, and Blue Jays.

**ST. PETERSBURG**  
A quick 25-minute drive north over the stunning Sunshine Skyway Bridge brings you to beautiful St. Petersburg, nestled between the Gulf of Mexico and Tampa Bay. Stroll the waterfront downtown streets to enjoy incredible dining, shopping, and art. St. Pete is home to the world-renowned Salvador Dali Museum and a unique glass sculpture collection by Dale Chihuly. Sports enthusiasts can take in a Tampa Bay Rays pro baseball game while beach bums make their way to St. Pete Beach and Treasure Island.

**TAMPA**  
Continue north from St. Pete about 15 minutes and discover all the city attractions of Tampa. Busch Gardens, the Florida Aquarium, and historic Ybor City are just a few of the draws of this bustling hot spot. Wander along Bayshore Boulevard in South Tampa and take in the views of the Bay, then sample from any of the nearby eateries and shop in Hyde Park.

**ANNA MARIA ISLAND**  
Perhaps one of the greatest gems you'll discover when visiting Fisherman's Cove is nearby Anna Maria Island. Take a free trolley around this barrier island consisting of seven miles of largely undeveloped white sand shoreline that includes the pristine Bean Point, Holmes Beach and Coquina Beach. Endless opportunities await for biking, kayaking, snorkeling, and dolphin boat tours. You can also stroll the quaint, laidback downtown area lined with galleries, restaurants, and

mid-century bungalows. But no matter how you spend your time on Anna Maria Island, be sure to take in the sunset at the edge of Anna Maria's iconic fishing pier.

**SARASOTA**  
Sarasota is situated less than a half-hour south of Fisherman's Cove and is a true paradise for anyone who loves fishing, boating, or simply taking in the open water. Sail, motor, or paddle

to one of the area's many premier fishing spots like Longboat Key and Siesta Key. If you'd rather have your feet on dry land, tour the area's many historic sites, art galleries or attend one of their popular events. The trolley from Anna Maria Island will deliver you to the downtown area for just a dollar. Sarasota County is also home to some of the most dazzling shorelines in the nation, including Lido Beach, Caspersen Beach, and Siesta Beach.

To find out more about all there is to discover at and around Fisherman's Cove RV Resort, call 941-960-7499 or visit **MyFishermansCove.com** to book your stay.
